Ending date | 31.07.2021

Total eligible cost | 4 016 097,60 EUR

European Union financial support | Cohesion Fund – 3 413 682,96 EUR

National public financial support | 602 414,64 EUR

Objectives, activities and achieved results |

This Monitoring Program aims to provide a technical and scientific basis for supporting strategic planning and coastal management, namely in the context of the new Coastal Management Programs (POC, Programas da Orla Costeira), soon to be in effect, as well as defensive/protection interventions that tend to mitigate risk for people and assets.
